MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT: Designation of Chairman, Guided Missile and
Astronautics Intelligence Committee (GMAIC)

1. I appreciate the frankness of the views expressed by
[redacted] in his memorandum of 13 June, subject as above, and
would welcome [redacted] services in a position of
great responsibility in GMAIC.

2. In view of the importance of GMAIC to the intelligence
community, I feel that the Committee should have a full-time Deputy
Chairman to act for and in the absence of the Chairman and to control
the operations of the eight working groups.

3. It would seem appropriate, therefore, to establish the
position of Deputy Chairman of GMAIC and to appoint [redacted]
to that position.
